- The tournament will be conducted according to the International Basketball Federation Rules as adopted from time to time by the Indian Basketball Federation unless otherwise modified.
- On completion of the league matches, if two or more teams are on the same points, then the tie shall be resolved as follows: a) If two teams are tied, head-to-head wins among the teams will be considered to break the tie. b) If more than two teams are equal in place, a second classification will be established, considering only the results of the games between the teams that have tied. c) If there are still teams tied after the second classification, the basket average will be used to determine the placing, considering only the results of the games between the teams that tied. d) If there are still teams tied, the placing will be determined using the goal average from the results of all the games played in the group.
- During matches, if the score is the same after the end of the scheduled time, Basketball Federation Rules will be applied, i.e., the game shall continue with as many extra periods of 5 minutes as is necessary to break the tie.
- The format of the game will be decided by looking at the number of participating teams, and future conditions.
